BIKANERVALA

Diwali is a celebration of abundance of homes filled with laughter, traditions shared across generations, and moments made sweeter with the people we cherish.

At Bikanervala, every celebration begins with flavour. From timeless Indian mithai crafted with care to irresistible savoury favourites, each creation carries forward a legacy of authentic taste and heartfelt hospitality.

Our journey began in 1905 in Bikaner, Rajasthan, where cherished recipes, skilled craftsmanship and a passion for traditional Indian flavours were passed down through generations. Today, that same heritage continues to inspire everything we create.
